Welcome to all new residents to Ruby Forest! If you are new to the neighborhood, please contact the Welcome Committee for more information on an upcoming Welcome Luncheon (held twice a year) by clicking [here](#) to send an email or by calling us at (678) 935-9560. This gathering will provide you with valuable information about our community, a luncheon social event time to meet your neighbors, and a meet-and-greet with current Ruby Forest HOA board members who can answer your questions.

As a resident of Ruby Forest, there are two things you can do to be more informed and also get more involved:

- Sign up for the Ruby Forest Community Announcements and Discussions mailing list by sending a blank email to [subscribe@rubyforest.net](mailto:subscribe@rubyforest.net)
- Register on the Ruby Forest Website by clicking [here](#) - The detailed benefits are listed [here](#) .
