Re: Mailbox Repair

Mailbox Repair Options:

Replacing just the mailbox –

As of this writing, Lowe's and Home Depot carry the matching mailbox.

Large – 10.9" H / 8.7" W / 22.6"

Remove the number plate from the top of the old mailbox and attach to new mailbox and attach new mailbox to post. Touch up with gloss black if necessary.

Replacing / Repairing the post –

If your post is damaged, it is preferred to have someone repair the post, since the manufacturer no longer makes the exact mailbox post.

A+ Welding can come to your home and repair minor damage, they can be contacted at 770-406-7782.

In the event you need full replacement reach out to Addresses of Distinction at www.addressesofdistinction.com or 770-436-6198. The approved post is the Avenues Collection.

Replacement numbers can also be ordered from Addresses Of Distinction – Style is 2" Williamsburg Brass.
